Eyes to the Skies – An Evening of Astronomy at Our July Meeting

Our next Petersfield Evening WI meeting promises to be truly out of this world! Join us on Tuesday 15th July at 7.30pm in The Studios at The Petersfield School, where we'll be welcoming Steve Bosley, Chairman of the Hampshire Astronomical Group, for a fascinating evening exploring the universe. Steve brings with him a lifelong passion for astronomy and a wealth of experience, having been elected a Fellow of both the Royal Astronomical Society and the British Interplanetary Society. With a background in physics and astrophysics, Steve is a well-respected voice in the astronomy community and regularly speaks at local events, universities, and festivals.

His talk will take us on a journey through the cosmos, touching on everything from meteors and moon cycles to dark sky festivals and the role of astronomy in our everyday lives. Whether you're a seasoned stargazer or simply curious about what's above us in the night sky, this promises to be an engaging and accessible session for all.

As always, guests are very welcome—so bring a friend and prepare for an evening that's truly stellar!

Walking netball starts on Thursday 4th September 7pm. Join the What's App group for more details.

August Meeting Preview – From Hollywood to Hampshire with Nicole Small 🎭

Get ready for a dazzling behind-the-scenes journey at our August WI meeting, as we welcome the incredibly talented Nicole Small, costume designer for film, theatre, opera, and ballet.

With a career spanning over 40 years in both the UK and USA, Nicole has worked extensively in Hollywood and London's West End, bringing characters to life through costume on stage and screen. Her impressive portfolio includes all five Pirates of the Caribbean films, numerous Tim Burton productions, acclaimed Netflix shows, and closer to home, a decade of designing costumes for the Petersfield Shakespeare Festival.

Her talk, From Hollywood to Hampshire, will offer an entertaining and insightful look into the world of costume design—from fittings and fabric choices to backstage drama and working with some of the biggest names in the industry. It's a fascinating glimpse into how costume contributes to the success of iconic productions.

Join us for what promises to be a fun, inspiring, and theatrical evening—full of stories, sparkles, and surprises!

📖 One Tree Books is Back – in a New Home!

Following the recent devastating fire on Lavant Street, we're delighted to share that our wonderful WI supporter, One Tree Books, will be reopening as early as next week at their new location: 33 Chapel Street.

Can't wait? You can still support them online by ordering through www.bookshop.org and selecting One Tree Books under "Choose a Bookshop"—they'll receive a share of the sale. Let's show them some love! ❤️

Creativity Blooms at Paint & Sip Evening 🎨🌸

It was a full house at Gallery 30 this week as members gathered for a wonderful evening of art, conversation, and creativity at our latest Paint & Sip session. Guided by the talented local artist Charlotte Brightwell, we spent the evening learning how to create delicate floral watercolours—many of us picking up a paintbrush for the first time in years! 🌷

It was a truly relaxing evening that captured the WI spirit—trying something new, encouraging one another, and celebrating creativity in all its forms. We're already looking forward to the next one!
